DUE DILIGENCE REPORT WITH PICTORIAL EVIDENCE:

- Geolinks Pvt Ltd.:

Due diligence was performed, and it was found that "Geolinks (Pvt.) Ltd." meets the required criteria for the specified tasks. They possess the necessary ISO certifications, infrastructure, equipment, and vehicles for effective waste management and disposal. The operational condition of the plant, adherence to safety standards, and compliance with regulatory requirements are satisfactory. Additionally, the company demonstrates a realistic work plan and timely delivery commitments. Therefore, the committee concluded that the company has undergone a successful due diligence assessment and the team is qualified.

Premier Waste Management:

EVALUATION REPORT

Due diligence was performed, and it was found that "Premier Waste Management" meets the required criteria for the specified tasks. They possess the necessary ISO certifications, infrastructure, equipment, and vehicles for effective waste management and disposal. The operational condition of the plant, adherence to safety standards, and compliance with regulatory requirements are satisfactory. Additionally, the company demonstrates a realistic work plan and timely delivery commitments. Therefore, the committee concluded that the company has undergone a successful due diligence assessment and the team is qualified.

TECHNICAL EVALUATION WITH RESPECT TO SCORING CRITERIA:

Technical Evaluation of Hazardous Waste Disposal Company				
Scoring Criteria				
S.No.	Descriptions	Sub Score	Service Provider	
			Premier Waste Management	Geolinks Pvt. Ltd.
			Yes/No	
1	ISO Certified 1 i. ISO 9001:2015 (Valid) 5 Marks ii. ISO 14001:2015 (Valid) 5 Marks iii. ISO 27001:2013 (Valid) 5 Marks iv. OHSAS 18001:2007 (Valid) 5 Marks	20	10	10

Recommended relevant documents to be submitted may include Service Contracts, Assignment Completion Certificates, Reference Letters from clients. i. Four or more clients served with relevant documentation 20 Marks ii. Three clients served with relevant documentation 15 Marks iii. Two clients served with relevant documentation 10 Marks iv. One client served with relevant documentation 5 Marks v. No client served 0 Marks NZ may cross check the relevant documents (Contract/Reference Letters) provided by bidders.	20	20	20
3	Relevant Incineration Facilities/infrastructure e.g., • Plant and Equipment for the treatment of infectious waste. • Waste collection equipment, Carriage trolleys, baskets, wheel bins & Vehicles, • Digital and manual weight scales. • Waste storage drums, bins, containers, barrels, and shelves. • Incinerators • On-site shredding/cutting system for de/contaminated healthcare waste. • Qualified, experienced, and skilled team, etc. (to be inspected by the PR committee formed for the purpose). Plant in the operational condition as per standard SOPs and valid EPA (Environmental Protection Agency) Licence and ISO certifications: 10 Marks Waste Carriage Vehicles with valid EPA Licensed. i. One Vehicle 3.5 Marks ii. Two Vehicles 7.5 Marks iii. Four or more than Four Vehicles 15 Marks	25	21	24
4	Delivery with realistic workplan, timeline and affidavit submission: v. The Service Provider is accountable for collecting the shipment from the designated doorsteps identified by NZ. 20 Marks The service provider collects the shipment at his incineration plant and the shipment is to be dispatch by NZ. 10 Marks	20	10	10
5	Financial Status: i. Last Year audited balance sheet = 5 ii Tax returns last 3 years = 5 iii Bank certificates/Performance bond, about wealth, reputation, and liquidity status. Declaration that bidder has never defaulted or backlisted = 5	15	10	10
Total Marks		100	71	74
Comments of Evaluation Committee			The service provider qualifies for the Punjab province only as the bidder has the authorization for incineration for the Punjab province only.	The service provider qualifies for the Sindh province only as the bidder has the authorization for incineration for the Sindh province only.

According to the scoring criteria outlined in our ITB documents, a minimum passing score of 70 was required. "Premier Waste Management" achieved a score of 71, and "Geolinks Pvt Ltd." scored 74, thus both service providers qualify for further evaluation. Based on their EPA license and NOC to operate in specific provinces, "Premier Waste Management" is qualified for Punjab, while "Geolinks Pvt Ltd." is qualified for Sindh province. However, no bidder submitted bids for the provinces of KPK and Baluchistan.

EVALUATION REPORT

ENDORSEMENT BY TECHNICAL EVALUATION COMMITTEE:

Mr. M. Imran Khan/ Manager District Coordination  DATE: 15 / 4 /2024

Mr. Dr Waleed Khan/ HCV Care & Support Officer  DATE: 15 / 04 /2024

Mr. Basit Ali Abbasi/ Manager Warehouse  DATE: 15 / 04 /2024

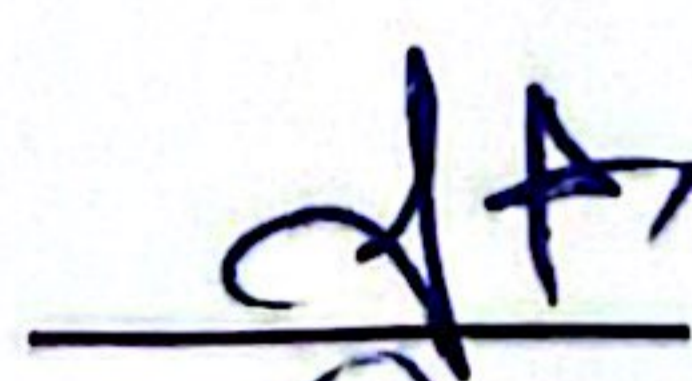

OUTCOME AFTER EVALUATION BY PSM DEPARTMENT:

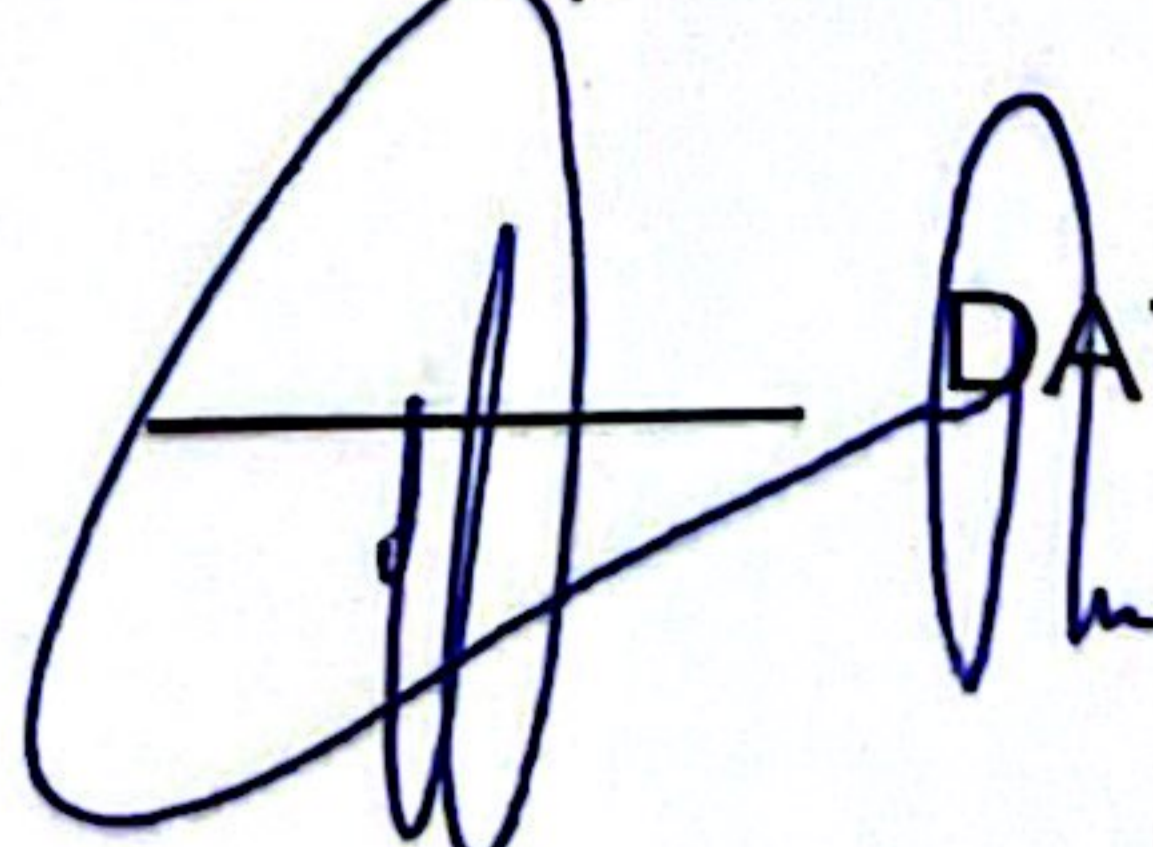

Although there were many suppliers who have collected the documents but only 03 service provider have submitted their bids for hazardous waste disposal company and one service provider "AT Waste Management" is rejected in initial evaluation process.

The technical committee evaluated bids for hazardous waste Disposal Company from both suppliers based on the required documents and scoring criteria. After meeting the compulsory requirement both the bidders were subjected for due diligence. For Punjab province the committee itself visited the plant while for the plant located in Sindh, committee in mutual consultation with senior management requested 02 of the CoPC's Manager (Karachi NZ & Thatta) from Sindh to perform due diligence on behalf of the committee.

Both the bidder were technically qualified & "Premier waste disposal" have been technically qualified for Punjab region while "Geolinks" have been technically qualified for Sindh region. The technical evaluation result will be announced on website for 03 working days for the suppliers to raise their concerns if any.

PSM department has thoroughly reviewed the result of technical evaluation & accepted for further financial evaluation until there is no query raised by the supplier or the raised query has been resolved with no objection. Although no supplier bid for KPK and Baluchistan province, PSM suggest locating the potential hazardous disposal service providers via market survey and approach them directly as the volume of incineration in both the provinces are comparatively low due to fewer number of CoPC's operating in both the provinces.

Mr. Fahad Bin Qasim / Procurement Officer:  DATE: 16 / 04 /2024

Mr. Amjad Mehboob / Director PSM:  DATE: 16 / 04 /2024
